

To: NHS Marching Band Students & Their Parents

From: Mr. Wells

Hello,

Welcome to a new marching band season. I'm looking forward to another great year with our show "Poseidon." I hope you can all make it to our show at the end of band camp, Saturday, August 13 at 10:30am in the Northview Stadium.

This is the time of year when we need to place orders for marching shoes and garment bags. All students in marching band need to have 100% black shoes that are conducive to marching and give good support. If you already have some, that's great. If you need to buy some, I recommend that you order them through us so that everybody has the same shoe. The shoes we will order are the "Super Drill Master." The Super Drillmaster has added comfort and stability. They have the heel cutaway on an angle, which helps with our marching style. The shoes also have an absorbent liner and are water-resistant. We do have a number of shoes that graduating seniors and students who needed larger sizes have given back to us. You can check to see if we have a size that fits you and those are available for free. Students also need a garment bag to carry their uniform. If you need one, we will order a black plastic one for you. Please fill out the form below and return it to a drum major by Sat., August 13 with a check payable to the Northview Band Boosters.
