

Community Support for Northview Bands

Band Photography by Martie Bradley

Northview Public Schools provide exceptional musical training to over 600 students in 5th to 12th grade. We are unique because we don't require marching band students to "pay-to-play." Most high school marching bands in West Michigan charge their participants \$300-\$800 each season!

Maintaining a large band program requires an incredible amount of teamwork, sweat equity, and community support. Northview's "Do-It-Ourselves" philosophy brings parents, instructors, and students together to contribute significant time and talent in order to keep expenses low. In addition to all this sweat equity, community fundraising helps keep our band program accessible and affordable for all students.

Northview Band Boosters invites you to participate in our work by becoming a business or corporate sponsor. We offer marketing and advertising opportunities in the Northview community through printed programs, banner signs, logos on vehicles, and event sponsorships. See the attached page for details and submission deadlines.
