LEGO® Creation Competition

For this competition, entrants will create an original design using their own LEGO®, DUPLO®, Megablocks®, or other LEGO® compatible plastic bricks. The design work will be done at home and entries will be submitted the morning of LEGO®mania.

Entries will be put in age categories and evaluated for presentation, originality, theme, and design elements by a panel of judges. Every entrant will receive a certificate, and the top three entries in each age category will receive a medal.

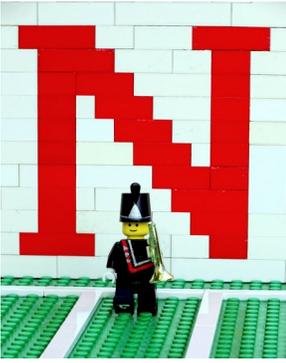

-  Entrants may not use a design from a LEGO® kit, book, or online source. Original ideas only.
-  Maximum size for entries is 24" wide x 24" deep x 48" tall.
-  Entries should include a typed title and description (half page or less). Parents/adults may assist children with typing, but the words should be the entrant's. Do NOT include the entrant's name on this sheet. Entries will be assigned an ID number so judging is impartial.
-  Parents and siblings should have minimal involvement in the building process so the competition is fair and the entry reflects the builder's age and experience level.
-  Entries must be brought to the Northview High School cafeteria on Saturday, March 2 between 9:00 am and 12:00 pm and taken home by 8:15 pm.
-  Registration fee is \$5.00. Pre-register at www.NorthviewBandBoosters.net

People's Choice Award

Each LEGO®mania attendee will receive three tickets to vote for their favorite entries in the LEGO® Creation Competition. The three entrants with the most votes will receive People's Choice Award trophies.

LEGO® Love Exhibition

LEGO® enthusiasts are encouraged to proudly display their LEGOs® in this public exhibition. There are no limits on size, theme, or originality—anything that's family-friendly is welcome! Exhibits must be brought to the Northview High School cafeteria on Saturday, March 2 between 9:00 am and 12:00 pm and removed by 8:15 pm. Exhibits should include a typed title and description with the builder's name and age. There's no entry fee, but please pre-register to reserve your space at www.NorthviewBandBoosters.net.

LEGO[®] Speed Building Competition

In this competition, entrants race their peers to build a new, unopened LEGO[®] set according to the official instructions. Each of the 6 divisions will compete using an age-appropriate LEGO[®] set. The first contestant in each division to correctly complete the set will win a medal. All entrants get to keep the set they build (approximately \$20 value). Race times will be posted at the event. Registration fee is \$25.00. Space for this event is limited and entrants will be accepted in the order received. To compete, you must pre-register at www.NorthviewBandBoosters.net

LEGO[®] Teacher/Staff Challenge

Northview school employees (teachers, bus drivers, custodians, administrators, para-pros, counselors, etc.) may submit their own original LEGO[®] creation. LEGO[®]mania attendees will vote for their favorite entry with cash donations (no change please). The employee who receives the most donations is the winner! Donations benefit Northview Band Boosters and music students in grades 5-12. Employee contestants are encouraged to shamelessly promote their entry to students and colleagues. You do not need to be present to win. The winner will receive a gift certificate and exclusive bragging rights for the following year. Entries must be brought to the Northview High School cafeteria on Saturday, March 2 between 9:00 am and 12:00 pm and removed by 8:15 pm. There's no entry fee, but employees must pre-register at www.NorthviewBandBoosters.net
