Developing, encouraging, and supporting 5th-12th grade instrumental music!

COMMUNITY SUPPORT FOR NORTHVIEW BANDS

Northview Public Schools provides exceptional musical training to over 600 students in 5th-12th grade. We are unique because we don't require band students to "pay-to-play." Many high school marching bands in West Michigan charge \$500-\$1,500 each season!

Northview Band Boosters welcomes community and corporate partnerships to enhance students' music education and enrichment opportunities. You can help through financial donations, gifts-in-kind, meals, and attending Northview Band events.

Yes, we want to support Northview Bands!
